RE: Donation to RBDC's Fellowship Program

Sickle Cell Awareness Group of Ontario presents herein a grant of \$2,000 to help with the Fellowship program established at the red Blood Disorder Clinic at TGH. We hope to make this a yearly grant and look forward to raising more funds for this program in the future.

I have recently been elected as the Vice-Chair of NRBDO and hope to use this leverage to work closer with both Medical and Allied Health professionals

I look forward to a meeting with you at your earliest convenience.

Sincerely,

Ms. Lanre Tunji-Ajayi  
President,
